- 6-Power Cable Interface

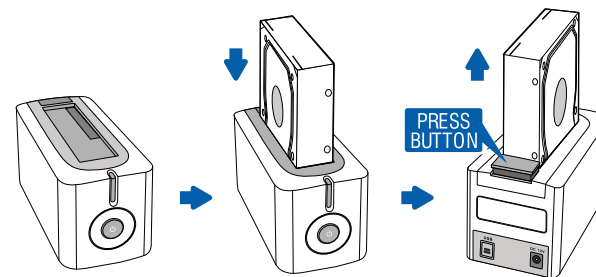

USB 3.0 SATA 2.5" & 3.5" HARD DRIVE DOCKING STATION

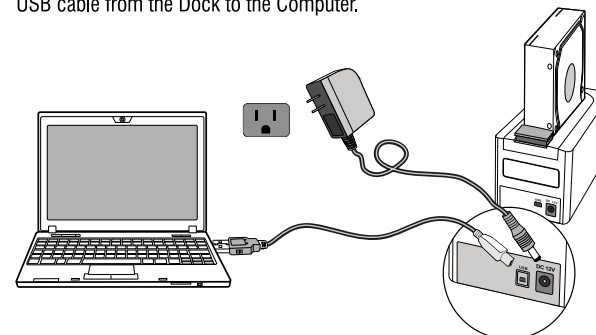

1. Check your Hard Drive to make sure it has the correct connector. This dock supports SATA only.

2. Insert the Hard Drive into the dock. The Eject Button will pop up when the Hard Drive is inserted fully.

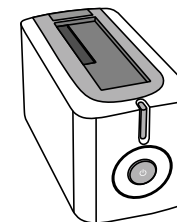

3. Next, connect the Power Adapter to a wall socket. Then, connect the USB cable from the Dock to the Computer.
