HB-UMAC7

7 USB 3.0 Ports

Individual Switches

Micro B

Power Adapter

USB 3.0   DC 12V
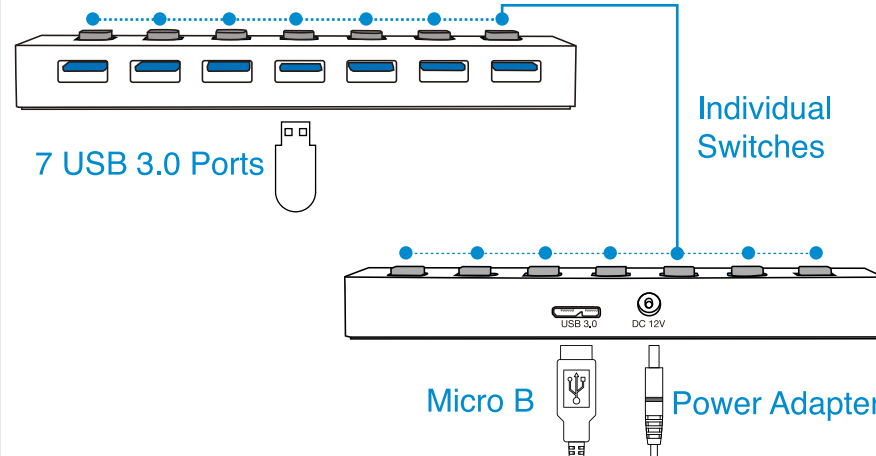

1. Connect the Micro USB cable to the USB Hub, connect the other end to computer.

2. Connect the power supply to the USB Hub; plug the power adapter Cord into a wall outlet.

3. Plug your usb device into the Hub, press corresponding switch and **make sure the blue LED is on**.

SABRENT

Enjoy!

At this point, the 7 Port USB 3.0 Hub is completely installed -- no software drivers are needed to complete the installation. Thank you for choosing Sabrent and enjoy!
